

Environmental Policy

Dane Architectural Systems specialises in the design, manufacture and installation of commercial construction projects comprising of glazed facades, curtain walling, windows, structural glazing, entrances, brise soleil, automatic doors and shutters, architectural metal works, light structural steelworks, balustrades, staircases, canopies and bespoke feature fabrications.

Whilst our management, design, procurement and manufacturing facilities are based in the North East of England our installation works are carried out across major construction sites across the United Kingdom

Minimising the impact our operations have on the environment in which we operate is part of Dane Architectural Systems strategic direction, values and principles

In this environmental policy statement, we commit our company to:

- Ensure this policy is aligned to the strategic direction of the business and its stakeholders with environmental objectives being set and regularly reviewed by senior management
- Complying with all relevant environmental legislation, regulations and other environmental requirements to which we subscribe including Customer requirements where applicable.
- Protecting the environment by striving to prevent and minimise our contribution to pollution of land, air, and water.
- Seeking to keep wastage to a minimum and maximise the efficient use of materials and resources.
- Managing and disposing of all waste in a responsible manner.
- Providing training for our staff so that we all work in accordance with this policy and within an environmentally aware culture.
- Regularly communicating our environmental performance to our employees and all other significant stakeholders.
- Developing our management processes to ensure that environmental factors are considered during planning and implementation.
- Monitoring and continuously improving our environmental performance.

This Environmental Policy will be publicity displayed within our offices, works and site offices.

The policy statement will be reviewed and updated as necessary via our 6 monthly management reviews. The management team endorses these policy statements and is fully committed to their implementation.
